Kings Reach Fully Let

Prudential's 37,000 sq ft office building in Kings Road is now fully occupied following the latest letting to recruitment company Randstad UK.

Randstad has signed on 7,945 sq ft on the 2nd Floor on a sub-lease until mid-2014. This deal follows earlier lettings on similar terms to Mongoose Limited (3,263 sq ft), The Office for the Independent Adjudicator for Higher Education (OIAHE) (7,753 sq ft) and Aviva (3,151 sq ft). These tenants join 8el, The Passport Office and Prudential themselves who were already in occupation of the building.

Hicks Baker and Parkinson Holt were the letting agents for Prudential; Randstad UK Holdings Limited was unrepresented.
